

# FOREMOST QUICK FACTS: TRAVEL TRAILER

Independent agents who quote and sell Foremost® Travel Trailer have high customer retention, and protect their customers' automobile rates by insuring the trailer on its own policy.

## HIGHLIGHTS THAT MAKE US STAND OUT:

### Total Loss Replacement coverage

Protects customers from the effects of depreciation. In the event that a new-model travel trailer is damaged beyond repair within its first five model years, and it is still owned by the original owner, we'll pay to replace it with a brand new one of similar kind and quality.

This option can save customers thousands of dollars!

### TravelLine® Towing and Roadside Assistance

Eliminates the hassle of buying a separate towing plan. This valuable service is available 24 hours a day, 365 days a year throughout the United States and Canada.

### Full-Timer coverage

Provides liability protection very similar to a homeowners policy when the travel trailer is parked and being used as a residence.

**Personal Property coverage** applies to personal property loss that occurs either inside or outside the travel trailer. Both ACV and Replacement Cost are available. Pet coverage is also an option!

### Diminishing Deductible

Included without any premium charge. For each consecutive year the travel trailer is insured by Foremost without a paid loss, we will reduce the deductible by 25%. Foremost renewal customers may have consecutive loss free policy years, so deductibles might be diminished already.

### Campsite/Vacation Liability coverage

Provides coverage when the travel trailer is parked and being used as a secondary residence.

### Emergency Expenses coverage

Pays for lodging or travel home if the travel trailer is damaged by a covered loss more than 50 miles from home.

### Our travel trailer sweet spots are customers who:

- Have owned their travel trailer two years or more
- Have travel trailers that are up to 30 feet in length
