ForemostChoice

Personal-use Tiny Houses on wheels are eligible for coverage in the Foremost Choice[®] Travel Trailer program! Talk to your Foremost Independent Agent today to find out more.

HIGHLIGHTS THAT MAKE US STAND OUT:

Underwriting

Foremost accepts any tiny houses that are Recreational Vehicle Industry Association (RVIA) or National Organization for Alternative Housing (NOAH) certified or registered. Tiny Houses with built-in solar panels are also acceptable!

Personal Property Coverage applies to personal property loss that occurs either inside or outside the tiny house. Both ACV and Replacement Cost are available. Pet coverage is also an option!

Diminishing Deductible

Included without any premium charge. For each consecutive year the tiny house is insured by Foremost without a paid loss, we will reduce the deductible by 25%.

Full-Timer Coverage provides liability protection very similar to a typical homeowners policy when the tiny house is being used as a residence.

Additional Living Expense provides coverage for increased living expenses, including temporary housing, when the unit cannot be lived in because of a covered loss.
