#### MANUFACTURED HOME SETTLEMENT OPTIONS

#### **Foremost Provides Choices:**

No customer or risk is exactly alike, so it is important to be able to provide your customers with choices when it comes to loss settlement options.

## **TOTAL LOSS SETTLEMENT OPTIONS:**

If the customer suffers an insured **total** loss to their home, the settlement will be the Amount of Insurance listed on the Declarations Page for Coverage A – Dwelling (less any applicable deductible).

Give your customers the peace of mind that comes from knowing that if they suffer a covered total loss to their home, their settlement will not be a depreciated amount determined by the insurance company.

Agreed Loss Settlement

Extended Replacement Cost

If the customer suffers an insured **total** loss, this coverage will extend up to an additional 20% of the Amount of Insurance for Coverage A towards the replacement of the home if rebuilt at the same site. Partial losses would be settled the same as Replacement Cost for Partial Loss.

We can offer your customer the Replacement Cost endorsements on any age home!

#### PARTIAL LOSS SETTLEMENT OPTIONS:

### Actual Cash Value (ACV)

If the customer suffers an insured **partial** loss to their home, the settlement will be the cost to repair or replace insured property with materials available today of like kind and quality, less allowance for physical deterioration and depreciation, including obsolescence as permitted by state law.

# Replacement Cost Payment Method for Partial Loss

If the customer suffers an insured **partial** loss to their dwelling, the settlement will be the cost to repair or replace property, without deduction for depreciation with new property of like kind and quality using conventional material and construction methods which are available at the time of loss.
